

28 February 2026

Objective

The Fund seeks to outperform the Bloomberg Global Aggregate Corporate Index by investing primarily in a globally diversified portfolio of investment-grade corporate bonds.

Investment Features

- In order to achieve its objective, the Fund will assess relative value opportunities across global corporate fixed- and floating-rate debt securities, denominated in multiple currencies. The currency exposure that would otherwise exist is typically hedged to the currency of the share class.
- The Fund has been classified as a financial product subject to Article 8 of the Sustainable Finance Disclosure Regulation (EU) 2019/2088.

Fund Risks and Rewards

- » Actively managed by Payden & Rygel with more than 10 years' experience managing global investment-grade corporate fixed-income accounts.
- » Fund inception date 29 August 2024.
- » Global Markets Experience.
- » KIID SRRI: 4/PRIIPs KID SRI: 3.

Payden Global Investment Grade Corporate Bond Fund is a sub-fund of Payden Global Funds plc, an open-ended investment company with variable capital incorporated under Ireland law and is authorised by FINMA for offering to non-qualified investors. The prospectus for Switzerland, the key investor information documents ("KIID"), the articles, the semi-annual and annual reports and other information can be obtained free of charge from the Fund's representative and paying agent in Switzerland: Reyl & Cie SA., 4, rue de Rhône, 1204 Geneva, Switzerland.

The Fund is actively managed with reference to the Bloomberg Global Aggregate Corporate Index GBP Hedged (the "Index"). The Index is used (i) as a universe from which to select or hold securities; and (ii) to measure performance of the Fund. The investment manager has discretion over the composition of the portfolio of the Fund and may select securities not included in the Index. However, in normal market circumstances, whilst it is expected that a significant portion of the Fund's constituents will also be Index constituents, deviations from the Index may be material. Whilst the investment manager does not employ a defined strategy to align with a benchmark during periods of volatility, it will take account of market environment and perceived risks at any given time and will employ its investment discretion as described in the investment policy accordingly.
